Conversion or Rollover Certification

If I elect to make a conversion or rollover contribution to the retirement account indicated above, I hereby certify that I understand the conversion or rollover rules and conditions as they pertain to this retirement account, and I have met the requirements for making such a transaction. Due to the important tax consequences of converting or rolling over funds or property, I have been advised to consult with a tax professional. All information provided by me is true and correct and may be relied upon by the custodian. I assume full responsibility for these transactions and will not hold the custodian liable for any adverse consequences that may result. I hereby irrevocably designate the conversion or rollover of funds or other property as rollover contributions.

Age 70½ Conversion/Rollover/Transfer Restriction

If you are over the age of 70½ this year, you may not convert, rollover, or transfer required minimum distribution amounts. If necessary, instruct your present custodian to either: 1) pay your required minimum distribution to you now; or 2) retain that amount for distribution to you later. For Roth conversions, you must take your required minimum distribution amount before you convert your assets to a Roth IRA.
