Check here to enroll in the quarterly confirm report in lieu of individual trade confirmations.

You represent that a fiduciary has investment discretion over this account. By signing below, you acknowledge that you waive your right to receive separate individual trade confirmations and will instead receive the same information delivered on a Quarterly Confirmation Report ("QCR"). You cannot discontinue receipt of trade confirmations altogether; you must receive a trade confirmation report at least quarterly. All information contained in the individual trade confirmations will be consolidated and delivered to you at the end of each calendar quarter within the QCR. The QCR will be delivered via mail or e-delivery based on your previously elected delivery method for the Account Statement. Your investment advisor and/or third party investment advisor will continue to have access to individual trade confirmations. You can request individual trade confirmations by submitting a request to your investment advisor — additional fees may apply. Your election to receive the QCR in lieu of individual trade confirmations may impact your ability to promptly monitor trading activity made by your investment advisor and/or third party investment advisor. You assume full responsibility for this election. You may rescind this instruction at any time and for any reason and return to receiving individual trade confirmations by contacting your investment advisor or Pershing Advisor Solutions.

The undersigned(s) hereby authorizes Pershing Advisor Solutions to accept this application for all other like accounts opened at Pershing Advisor Solutions after the effective date hereunder, that are eligible for QCR. The undersigned shall promptly notify Pershing Advisor Solutions if such account(s) are not deemed to be discretionary as set forth above. This selection is only available for accounts that are opened with the same registration and authorized signors as listed herein and where the account(s) is managed by an investment advisor or other such fiduciary with investment discretion.

**STEP 13. PROSPECTUS MAILING INSTRUCTIONS**

If you have given your Investment Advisor discretion over investment decisions, you can choose to direct the mailing of prospectus documents for transactions in exchange traded funds, unit investment trusts, sweep vehicles, and mutual funds to your Investment Advisor.

By checking the box below, you authorize Pershing Advisor Solutions to direct these mailings to your Investment Advisor. If you have more than one account registration, you must make this choice separately for each. You can always request a paper copy of any prospectus for your account from Pershing Advisor Solutions at no additional charge.

Prospectus documents should be mailed to your Investment Advisor(s).

By selecting this option, you acknowledge that your Investment Advisor is the individual or entity authorized to have discretion over your investment decisions. Your Investment Advisor will automatically receive a prospectus for each initial trade. Note: Prospectuses will only be sent to your Investment Advisor if they have authorized us to redirect these documents to them. Otherwise, prospectuses will be delivered to the mailing address on the account.

- Pershing will maintain and custody Your Account(s) as a clearing broker under a clearing agreement with Pershing Advisor Solutions.
- Pershing and Pershing Advisor Solutions may accept or act upon instructions concerning Your Account(s) from your Investment Advisor(s) without inquiry or investigation only as authorized under the terms of this Agreement and pursuant to any letters of authorization that You complete, sign and submit.
- Notices about margin requirements or other matters related to Your Account(s) will usually be provided to You through your Investment Advisor(s). You may be notified directly if, in Pershing’s judgment, market conditions, time constraints, regulatory requirements or other circumstances require it. Neither Pershing Advisor Solutions nor Pershing has any responsibility for providing You with any disclosures that your Investment Advisor(s) is required to give You.
- Pershing Advisor Solutions conducts transactions as instructed by You and your Investment Advisor(s). The Investment Advisor(s), not Pershing Advisor Solutions, is responsible for managing Your Account(s). Pershing Advisor Solutions does not endorse, recommend or give advice to You or your Investment Advisor(s) with respect to investment style or strategy, nor make any determination regarding the suitability of any investment, strategy, or program.
- Pershing Advisor Solutions shall not be responsible or liable for any acts or omissions of your Investment Advisor(s) or the members, affiliates, officers, partners, directors, employees, representatives or agents of your Investment Advisor(s). Pershing Advisor Solutions makes no representations or warranties about the Investment Advisor(s) or their services. You shall not hold Pershing Advisor Solutions, its members, affiliates, officers, directors, employees, representatives or agents liable for any trading losses incurred by You, or any persons claiming through You.

- Pershing Advisor Solutions is not affiliated with your Investment Advisor(s), and your Investment Advisor(s) does not act as an agent of Pershing Advisor Solutions. The Investment Advisor(s) may have other business relationships with Pershing Advisor Solutions. Unless otherwise disclosed to You, your Investment Advisor(s) is not controlled or employed by Pershing Advisor Solutions.
- Pershing Advisor Solutions is not obligated to monitor the Investment Advisor(s) or the trading activity in any of Your Account(s). You are responsible for monitoring and reviewing your statement activity and reporting any discrepancies to your Investment Advisor. Pershing Advisor Solutions does not review or guarantee the accuracy, adequacy, or completeness of any historical performance or other information that the Investment Advisor(s) makes available to You. Pershing Advisor Solutions is not responsible for the reliance by any person, including You, on any such information. The past investment performance of your Investment Advisor(s) is not a guarantee of future results.
- Your Investment Advisor(s), not Pershing Advisor Solutions, is responsible for determining the initial and ongoing appropriateness of all fees that may be charged to Your Account(s) ("Service Fees"). Pershing Advisor Solutions does not mandate or determine the fees that the Investment Advisor(s) may charge for management of Your Account(s).
- For our services as a broker-dealer, Pershing Advisor Solutions may charge fees separate from the fees and charges of your Investment Advisor(s).
- Pershing Advisor Solutions and/or your Investment Advisor(s) will provide You with the Pershing Advisor Solutions Disclosure Statement, which is considered part of this Agreement. The Disclosure Statement explains the roles and responsibilities of Pershing Advisor Solutions, Pershing, and your Investment Advisor(s) in greater detail. The Disclosure Statement also contains other important provisions regarding Your Account(s), including Pershing Advisor Solutions' privacy policy and business continuity plan.
- **Form In Which Property Held:** In providing safekeeping for the Property, an Affiliated Service Provider may hold Property that is represented in the following forms: (i) in nominee name; (ii) in bearer form; (iii) in book entry form at Pershing; (iv) in book entry or physical form at a clearing agency as defined in Section 3(a)(23) of the Securities Exchange Act of 1934 ("Exchange Act") that is registered or exempt from registration under Section 17A(b) of that act ("Clearing Agency") or in a bank (including an Affiliated Service Provider) as defined in Section 3(a)(6) of the Exchange Act ("Bank Custodians"); and (v) as the nature of the Property may require, in a central securities depository or similar organizations located outside the United States ("Non-U.S. Depositories," together with Bank Custodians and Clearing Agencies, the "Sub-Custodians").
- **Use of Sub-Custodians:** Pershing Advisor Solutions and its Affiliated Service Providers shall exercise reasonable care in their selection and use of Sub-Custodians in light of the prevailing trading and processing practices that are specific to the jurisdictions or markets in which transactions in, or related to, the Property occur ("Market Practices"). Neither Pershing Advisor Solutions nor its Affiliated Service Providers shall be responsible or liable for any Losses by You or any persons claiming through You arising as a result of: (i) the insolvency of a Sub-Custodian, except to the extent such Losses are a result of Pershing Advisor Solutions' or an Affiliated Service Provider's gross negligence or willful misconduct in exercising reasonable care in its selection, use, or oversight of such Sub-Custodian; or (ii) the deposit or maintenance of Property at Sub-Custodians specified by Investment Advisor(s) or You.

- **Registration and Settlement of Property:** In providing safekeeping for the Property, Pershing shall: (i) register the Property in the name of Pershing or its nominees, or in the nominee name of any Sub-Custodian used by Pershing; (ii) with respect to any or all of the Property, settle purchases and sales, and engage in other transactions relating to the Property, including free receipts and deliveries, exchanges and other voluntary corporate actions, with any person, agent, financial institution, partnership, corporation or other recipient designated by your Investment Advisor or You pursuant to instructions from your Investment Advisor; and (iii) attend to the exchange, conversion or surrender of Property as applicable. Absent their gross negligence or willful misconduct, and in accordance with the foregoing paragraph, neither Pershing Advisor Solutions, any Affiliated Service Provider, nor their personnel will be liable to You or any persons claiming through You for any Losses that may be incurred as a result of the Market Practices applicable to the Property.

### III. Cash Sweep Program

**A. Introduction.** Pershing Advisor Solutions' clearing firm, Pershing, operates a sweep platform that automatically purchases, or sweeps, the uninvested cash balance in your brokerage or bank custody accounts to either money market mutual funds ("Money Funds") or interest-bearing bank deposit accounts ("Bank Sweep Products") as selected by your Investment Advisor. The sweep feature also automatically returns balances held in Money Funds or Bank Sweep Products to your brokerage or bank custody accounts when You need them to cover purchases of securities, withdrawal requests and other debits. All swept balances from brokerage accounts are held in accounts at the Money Fund provider or applicable bank entitled, "Pershing LLC as Agent for its customers, acting for themselves or others." In the case of bank custody accounts, however, all swept balances are held in accounts opened and maintained at the Money Fund provider or applicable bank entitled, "BNY Mellon, N.A. as Agent for its customers, acting for themselves or others." The Pershing Advisor Solutions Cash Sweep Program (the "Program") is the array of Money Funds and Bank Sweep Products available in Your Account as sweep options. In some circumstances, your Investment Advisor may have contractually negotiated a different sweep option outside the Program for your account(s) when s/he joined our platform(s).

**B. Confirmations.** Confirmations for Money Fund purchases processed through the sweep platform are not sent pursuant to Securities and Exchange Commission ("SEC") Rule 10b-10(b)(1). A record of funds swept into Bank Sweep Products may be found on your brokerage or bank custody account statement(s).

**C. Money Fund Risks.** Money Funds are securities that may increase or decrease in value. In general, Money Funds are designed and managed with the objective of preservation of capital and maintenance of liquidity, but unlike bank deposits, an investment in a Money Fund is not insured by the FDIC or any other government agency, and there can be no assurance that such funds will be able to maintain a stable net asset value of \$1 per share. It is possible to lose money by investing in a Money Fund, including loss of principal. In addition, certain Money Funds may temporarily suspend your ability to sell shares if the fund's liquidity falls below required minimums because of market conditions or other factors.

Securities in your brokerage account are eligible for protection by the Securities Investor Protection Corporation ("SIPC") up to a maximum of \$500,000 per customer (including a maximum of \$250,000 for uninvested cash held in the brokerage account). Note that SIPC does not insure against the loss of value of any investment or product. You should carefully consider the investment objectives, risks, charges and expenses of Money Funds before investing. The prospectus of a Money Fund contains important information on the Fund. For more complete

information about the Money Funds available under the Program, contact your Investment Advisor or view the Money Fund list on the Website.

**D. Bank Sweep Product Risks.** Customer funds in Bank Sweep Products are held in interest-bearing bank deposit accounts in a structure that provides for Federal Deposit Insurance Corporation (“FDIC”) insurance coverage on individual customer balances of up to \$250,000 at each bank per eligible account type, as determined by the FDIC. Balances held in Bank Sweep Products are not eligible for SIPC protection. It is your responsibility to monitor your balances held at each bank to ensure that your individual balance at any specific bank per eligible account type does not exceed \$250,000. In the event that your balance at a specific bank exceeds \$250,000 per eligible account type, there is a risk that your balance, through a Bank Sweep Product or otherwise, in excess of the federal deposit insurance limit of \$250,000 per eligible account type will not be insured by the FDIC (or covered by SIPC coverage). In the event of a bank failure, You will become an unsecured creditor of that bank to the extent that your deposits at that bank exceed \$250,000 per eligible account type. In addition, banks are permitted to impose seven-day holds on withdrawal requests, which will temporarily impact your access to those funds. The disclosure document of a Bank Sweep Product contains important information on the Product.

**E. Investor Cash.** If You or your Investment Advisor does not select a Money Fund or Bank Sweep Product for your brokerage custody account(s), any uninvested cash balances in your brokerage custody account(s) may be eligible to receive the Investor Cash rate. Investment Advisors may also choose Investor Cash for your brokerage custody account(s) in lieu of the Program. Accounts eligible for the Investor Cash rate may earn interest on cash balances over \$1 held in an account. Note that Investor Cash is not a security or a Bank Sweep Product and is therefore not FDIC insured, although the uninvested cash balance in your brokerage custody account(s) is eligible for protection by SIPC as described above.

Investor Cash is not available for bank custody accounts or for retirement accounts on the brokerage custody platform. If You or your Investment Advisor does not select a Money Fund or Bank Sweep Product for these account(s), any uninvested cash balances in bank custody accounts will be invested in the Dreyfus Insured Deposit Program, while any uninvested cash balances in retirement accounts on the brokerage custody platform will be invested in the Pershing Government Account fund.

**F. Interest Rates.** You may earn interest on your Bank Sweep Products and Investor Cash. The rate of interest varies over time and is typically based primarily on the then current market. As such, it will be affected by prevailing economic and business conditions. Interest paid on cash balances will be calculated using the interest rates, calculation methodology, and compounding frequency set by Pershing, which are subject to change from time to time by Pershing in its sole discretion without prior notice. Neither Pershing nor Pershing Advisor Solutions has a duty to offer cash products with the highest rate available and may impose eligibility requirements, such as minimum account balances or overall relationship balances, on certain cash products, meaning that not all such cash products may be available for Your Account. If You do not wish to receive interest on your uninvested cash balances, please contact your Investment Advisor. If You utilize a Bank Sweep Product which includes a bank affiliated with Pershing and Pershing Advisor Solutions, the bank will also realize an economic benefit from the use of your balances in the Deposit Accounts in its business operations (e.g. for lending). Please refer to the Disclosure Statement and Terms and Conditions of the specific Bank Sweep Product used in Your Account, if applicable, for more information.

**G. Conflicts of Interest.** Pershing and Pershing Advisor Solutions earn

compensation based on the amount of money in the Program, including your money. Pershing and Pershing Advisor Solutions may earn higher compensation on some Money Funds or Bank Sweep Products versus others. In addition, if your Investment Advisor is offering a program sponsored by a Pershing/Pershing Advisor Solutions affiliate which is determining the amount of cash available over time as part of your portfolio or strategy, this will affect the amount of compensation Pershing or Pershing Advisor Solutions earns in the Program, and it is likely that the compensation will fluctuate over the life of the account. The amount of compensation earned by Pershing and Pershing Advisor Solutions will affect the interest rate paid on the Bank Sweep Product and Investor Cash balances.

You will not have a direct account with the Money Fund providers or with the banks participating in the Bank Sweep Products available in the Program. Pershing, as your agent, will establish omnibus accounts at the Money Fund providers and banks for the purpose of making deposits and withdrawals into the products available in the Program on your behalf. You will be entitled to your proportionate pro-rata share of any omnibus account into which your brokerage or bank custody account funds are swept, and with respect to the Bank Sweep Product, your proportionate interest in any Bank Sweep Product omnibus account at a single bank will be covered by federal deposit insurance up to the \$250,000 deposit insurance per eligible account type limit.

**H. Tax Information.** Interest earned on balances in the Bank Sweep Products in the Program and Investor Cash is treated as ordinary interest in the year it is received and reported on the Form 1099-INT. Dividends earned on balances in the Money Funds in the Program are treated as ordinary dividends in the year they are received and reported on Form 1099-DIV. Both Forms will be included in the Tax and Year-End Statement issued for Your Account(s). You should consult with your tax adviser about how the interest or the dividends earned in the Program affects You.

**I. Obligations.** For all accounts in the Pershing Advisor Solutions Cash Sweep Program, Pershing Advisor Solutions is obligated to provide You: (i) the disclosures and notices regarding the Program required by each self-regulatory organization of which Pershing Advisor Solutions is a member; (ii) account statements containing information regarding your balance in a Bank Sweep Product including balances held at participating banks and the yield, if applicable; (iii) account statements, provided at least quarterly, that include a notification that the shares of any Money Fund or the balance in a Bank Sweep Product in which You have a beneficial interest can be liquidated upon your order and the proceeds returned to your securities account; and (iv) written notice at least thirty (30) calendar days before changing the terms and conditions of the Program or of a product currently available through the Program; changing, adding or deleting products available through the Program; or changing your investment in the Program from one product to another. If Pershing Advisor Solutions is required to provide such notice to You, the notice will describe the new terms and conditions of the Program, product(s), or new product(s) as applicable. Pershing Advisor Solutions reserves the right to change eligibility requirements for cash sweep vehicles.

#### **IV. Agreement for all Accounts**

**A. Accounts.** You are requesting that Pershing Advisor Solutions open a brokerage account(s) on a fully disclosed basis in the names listed as account owners on the Agreement You submitted. You represent that You have received, read, and understood this Agreement (including the Pershing Margin Agreement incorporated by reference herein), and that You agree to be bound by the terms of the Agreement as it may be amended from time to time. You also agree that Pershing Advisor Solutions or its Affiliated Service Provider may provide information regarding this Account to your Investment Advisor(s). You understand that Your continued Account activity or the act of not closing Your Account after receipt of such updated disclosures constitutes your acceptance to be bound by all modifications.

If You provide Trusted Contact information, You agree that Pershing Advisor Solutions or an Affiliated Service Provider may share information about You with the Trusted Contact at the discretion of Pershing Advisor Solutions and/or Pershing. This authorization is limited to sharing or disclosing information in order to confirm the specifics of your current contact information, health status, and the identity of any legal guardian, executor, trustee, or holder of a power of attorney, in the event that Pershing Advisor Solutions and/or Pershing becomes concerned that You may be a victim of fraud or exploitation.

**B. Fees.** You understand that your Investment Advisor(s) negotiates your commissions, fees associated with utilizing third-party providers designated by your Investment Advisor to provide administrative, management, investment, and trading services ("Advisor Designated Providers") to Your Account (if applicable) and other charges with Pershing Advisor Solutions. You should contact your Investment Advisor for more information.

You authorize Pershing Advisor Solutions to deduct investment advisory fees, Advisor Designated Provider fees (if applicable) and its custody fees from Your Account. You acknowledge that Pershing Advisor Solutions fees may change at any time, and that they are separate from advisory fees charged by your Investment Advisor. You also understand that You are not entitled to any fee rebates from Pershing Advisor Solutions if Your Account(s) are cancelled or liquidated during a period for which fees have already been charged.

You understand that your Investment Advisor may recommend that You purchase mutual funds or other investment products, and that Pershing Advisor Solutions and its affiliates may receive servicing, distribution or other revenues from mutual funds (whether affiliated with Pershing Advisor Solutions or not).

In addition, Pershing Advisor Solutions may pay administrative and marketing fees to other entities, including FINRA-registered broker-dealer firms. Under FINRA rules, these broker-dealer firms are responsible for supervising their registered representatives, including the monitoring of brokerage transactions in the accounts of the clients of the firm and their registered representatives. These registered representatives may also be associated and registered with, and conduct advisory business through, a registered investment adviser firm that is unaffiliated with the registered representative's broker-dealer.

**C. Disbursements.** You authorize Pershing Advisor Solutions to:

- (1) Remit checks to You as instructed by your Investment Advisor(s) at your address of record;
- (2) Disburse funds or assets held in Your Account(s) based on any signed authorization You submit; and
- (3) Transfer assets between Your Account(s) with the same registration at the direction of your Investment Advisor(s).

If this Account is a Trust, the Trustee(s) signing this Agreement certify that the Trust authorizes the Trustee to receive on behalf of the Trust or deliver to the Trust or third parties including to the Trustee(s) individually any and all assets in this account, including, but not limited to, monies, stocks, bonds and other securities, and to sell, assign and endorse for transfer, certificates representing stocks, bonds or other securities now registered or hereafter registered in the name of the Trust.

If You want funds disbursed from Your Account(s) by check, wire or other form to a financial organization not on file with Pershing Advisor Solutions or to a third party, You agree to provide a written letter of authorization for each disbursement request. Pershing Advisor Solutions may contact You to confirm your authorization before making a disbursement.

**D. Applicable Law.** All transactions executed for Your Account by Pershing Advisor Solutions, its affiliates or agents, including Pershing, are subject to Applicable Law.

**E. Lien.** If You become indebted or otherwise obligated to Pershing or Pershing Advisor Solutions, then all Securities, Commodities, and other Property that Pershing may be carrying for You, or that may be in Pershing's possession or under Pershing's control, will be subject to a general lien and security interest in Pershing's favor. These assets can be used to satisfy your debt and other obligations to Pershing Advisor Solutions or Pershing. This applies regardless of any advances made by Pershing in connection with those securities and other Property, and no matter how many accounts You may have with Pershing Advisor Solutions and carried at Pershing.

In enforcing its lien, Pershing will determine which Securities, Commodities and other Property are to be sold and which contracts are to be closed. However, securities and other property You hold in retirement account(s) maintained by Pershing, which may include IRAs or qualified plans, are not subject to this general lien. Retirement account funds may be used only to satisfy your debt or other obligations to Pershing Advisor Solutions and/or Pershing that relate to Your retirement Account(s).

**F. Payment of Indebtedness Upon Demand.** You are liable for payment on demand of any debit balance or other obligations owed in any of Your Account(s). # Margin Agreement

## Agreement for Margin Accounts.

This is your Margin Agreement with Pershing.

### Role of Pershing

I understand that Pershing is the carrier of the accounts of the undersigned as clearing broker pursuant to a clearing agreement with the Introducing Firm. Until receipt from the undersigned of written notice to the contrary, Pershing may accept from the Introducing Firm, without inquiry or investigation, (i) orders for the purchase or sale of securities and other property on margin or otherwise, and (ii) any other instructions concerning said accounts. Notices to the undersigned concerning margin requirements or other matters related to the undersigned's accounts usually will go through the undersigned's Introducing Firm although direct notice to the undersigned with duplicate notice to the undersigned's Introducing Firm may occur if market conditions, time constraints, or other circumstances require it. Pershing shall not be responsible or liable for any acts or omissions of the Introducing Firm or its employees. I understand that Pershing provides no investment advice, nor does Pershing give advice or offer any opinion with respect to the suitability of any transaction or order. I understand that my Introducing Firm is not acting as the agent of Pershing and I agree that I will in no way hold Pershing, its other divisions, and its officers, directors, and agents liable for any trading losses incurred by me.

### 1. Applicable Rules and Regulations

All transactions for the undersigned shall be subject to the constitution, rules, regulations, customs, and usages of the exchange or market and its clearing house, if any, where executed by Pershing or its agents, including its subsidiaries and affiliates.

### 2. Definitions

For purposes of this agreement "securities, commodities, and other property," as used herein shall include, but not be limited to money, securities, and commodities of every kind and nature and all contracts and options relating thereto, whether for present or future delivery.

### 3. Lien

All securities, commodities, and other property of the undersigned, which Pershing may at any time be carrying for the undersigned, or which may at any time be in Pershing's possession or under Pershing's control, shall be subject to a general lien and security interest in Pershing's favor for the discharge of all the undersigned's indebtedness and other obligations to Pershing, without regard to Pershing having made any advances in connection with such securities and other property and without regard to the number of accounts the undersigned may have with Pershing. In enforcing its lien, Pershing shall have the discretion to determine which securities and property are to be sold and which contracts are to be closed. Securities and other property held in the undersigned's retirement account(s) maintained by Pershing, which may include Individual Retirement Accounts (IRAs) or qualified plans, are not subject to this general lien and such securities or other property may only be used to satisfy the undersigned's indebtedness or other obligations to your Introducing Firm and/or Pershing related to the undersigned's retirement account(s).

### 4. Liquidation

If, in its discretion, Pershing considers it necessary for protection to require additional collateral, or in the event that a petition in bankruptcy is filed, or the appointment of a receiver is filed by or against the undersigned, or an attachment is levied against the accounts of the undersigned, or in the event of the death of the undersigned, Pershing shall have the right to sell any or all securities, commodities, and other

property in the accounts of the undersigned with Pershing, whether carried individually or jointly with others, to buy any or all securities, commodities, and other property which may be short in such accounts, to cancel any open orders and to close any or all outstanding contracts, all without demand for margin or additional margin, notice of sale or purchase, or other notice or advertisement. Any such sales or purchases may be made at Pershing's discretion on any exchange or other market where such business is usually transacted, or at public auction or private sale, and Pershing may be the purchaser for its own account. It being understood that a prior demand, or call, or prior notice of the time and place of such sale or purchase shall not be considered a waiver of Pershing's right to sell or buy without demand or notice.

### 5. Payment of Indebtedness Upon Demand and Liability for Costs of Collection

The undersigned shall at all times be liable for the payment upon demand of any debit balance or other obligations owing in any of the accounts of the undersigned with Pershing, and the undersigned shall be liable to Pershing for any deficiency remaining in any such accounts in the event of the liquidation thereof, in whole or in part, by Pershing or by the undersigned; and, the undersigned shall make payments of such obligations and indebtedness upon demand. The reasonable cost and expense of collection of the debit balance, recovery of securities, and any unpaid deficiency in the accounts of the undersigned with Pershing, including, but not limited to attorney's fees, incurred and payable or paid by Pershing shall be payable to Pershing by the undersigned.

### 6. Pledge of Securities

All securities, commodities, and other property now or hereafter held, carried, or maintained by Pershing in its possession in any of the accounts of the undersigned may be pledged, repledged, hypothecated or rehypothecated by Pershing from time to time, without notice to the undersigned, either separately or in common with other such securities, commodities, and other property for any amount due in the accounts of the undersigned, or for any greater amount, and Pershing may do so without retaining into its possession or control for delivery, a like amount of similar securities, commodities, or other property.

### 7. Margin Requirements, Credit Charges, and Credit Investigation

The undersigned will at all times maintain such securities, commodities, and other property in the accounts of the undersigned for margin purposes as Pershing shall require from time to time via a margin call or other request, and the monthly debit balances or adjusted balances in the accounts of the undersigned with Pershing shall be charged, in accordance with Pershing practice, with interest at a rate permitted by laws of the state of New York. It is understood that the interest charge made to the undersigned's account at the close of a charge period will be added to the opening balance for the next charge period unless paid.

The undersigned acknowledges receipt of the Disclosure Statement from my Introducing Firm, which explains the conditions under which interest can be charged to my account, the annual rate of interest, how debit balances are determined, and the methods of computing interest. The undersigned further acknowledges receipt of the separate Margin Disclosure Statement, which provides some basic facts about purchasing securities on margin and alerts the undersigned to the risks involved with trading securities in a margin account.

In regard to margin calls, whether for maintenance or any other margin call, in lieu of immediate liquidations, Pershing, through the undersigned's Introducing Firm, may permit the undersigned a period of time to satisfy a call. This time period shall not in any way waive or diminish Pershing's right in its sole discretion, to shorten the time

# Margin Agreement

period in which the undersigned may satisfy the call, including one already outstanding, or to demand that a call be satisfied immediately. Nor does such practice waive or diminish the right of Pershing and/or the undersigned's Introducing Firm to sell out positions to satisfy the call, which can be as high as the full indebtedness owed by me. Margin requirements may be established and changed by Pershing in its sole discretion and judgement without notice to the undersigned. In making this determination, Pershing may take into account various factors including but not limited to (i) issues as to the undersigned's securities such as, among others, the liquidity of a position and concentrations of securities in an account, (ii) considerations as to the undersigned's status, including but not limited to a decline in creditworthiness, (iii) the size of the account, (iv) the general condition of the market, (v) considerations as to the ability of Pershing to obtain financing, and (vi) regulatory interpretations or guidance. The undersigned will contact its Introducing Firm for the latest information on margin requirements.

Pershing may exchange credit information about the undersigned with others. Pershing may request a credit report on the undersigned and upon request, Pershing will state the name and address of the consumer reporting agency that furnished it. If Pershing extends, updates, or renews the undersigned's credit, Pershing may request a new credit report without telling the undersigned.

## 8. Communications

Communications may be sent to the undersigned at the current address of the undersigned, which is on file at Pershing's office, or at such other address as the undersigned may hereafter give Pershing in writing, or through my Introducing Firm, and all communications, so sent, whether by mail, telegraph, messenger, or otherwise, shall be deemed given to the undersigned personally, whether actually received or not.

## 9. Scope and Transferability

This agreement shall cover individually and collectively all accounts that the undersigned may open or reopen with Pershing, and shall inure to the benefits of its successors and assigns, whether Pershing's merger, consolidation, or otherwise, and Pershing may transfer the accounts of the undersigned to its successors and assigns, and this agreement shall be binding upon the heirs, executors, administrators, successors, and assigns of the undersigned.

## 10. No Professional Advice

The undersigned acknowledges that Pershing will not provide the undersigned with any investment, legal, tax, or accounting advice, that its employees are not authorized to give any such advice, and that the undersigned will not solicit or rely upon any such advice from Pershing or its employees whether in connection with transactions in or for any of the accounts of the undersigned or otherwise. In making investment, legal, tax, or accounting decisions with respect to transactions in or for the accounts of the undersigned or any other matter, the undersigned will consult with and rely upon its own advisors and not Pershing, and Pershing shall have no liability therefore.

## 11. Extraordinary Events

Pershing shall not be liable for loss caused directly or indirectly by government restrictions, exchange or market rulings, suspension of trading, war, strikes, or other conditions beyond its control.

## 12. Representations as to Capacity to Enter Into Agreement

## 15. Separability

If any provision or condition of this agreement shall be held to be invalid or unenforceable by any court, or regulatory or self-regulatory agency or body, such invalidity or unenforceability shall attach only to such provision or condition. # Margin Disclosure Statement

The Margin Disclosure Statement is intended to provide some basic facts about purchasing securities on margin and to alert you to the risks involved with trading securities in a margin account. Before trading securities in a margin account, it is important to carefully review the written Margin Agreement provided by your financial organization or its clearing firm, Pershing LLC ("Pershing"), and to consult with your financial organization regarding any questions or concerns you may have regarding margin accounts.

When you purchase securities, you have the option of paying for them in full or borrowing part of the purchase price from Pershing. If you choose to borrow funds from Pershing, you will need to open a margin account with Pershing through your financial organization. The securities purchased are used as collateral for the loan that was made to you or any other indebtedness arising after the initial transaction. If the securities in your brokerage account decline in value, so does the value of the collateral supporting your loan. As a result, your financial organization or Pershing can take action. For instance, your financial organization or Pershing can issue a margin call and/or sell securities or liquidate other assets in any of your brokerage accounts held with your financial organization or Pershing in order to maintain the required equity in the margin account.

**It is important that you fully understand the risks involved in trading securities on margin. These risks include the following:**

***You can lose more funds or securities than you deposit in the margin account.***

A decline in the value of securities that are purchased on margin may require you to provide additional funds to Pershing to avoid the forced sale of those securities or other securities or assets in your account(s).

***Your financial organization or Pershing can force the sale of securities or other assets in your account(s).***

If the equity in your account falls below Pershing's maintenance margin requirements or your financial organization's higher "house" requirements, your financial organization or Pershing can sell the securities or other assets in any of your accounts to cover the margin deficiency. You also will be responsible for any shortfall in the account after such a sale.

***Your financial organization or Pershing can sell your securities or other assets without contacting you.***

Some investors mistakenly believe that a financial organization must contact them for a margin call to be valid, and that the financial organization cannot liquidate securities or other assets in their account(s) to meet the call unless the financial organization has contacted them first. This is not the case. Most financial organizations will attempt to notify their clients of margin calls, but they are not required to do so. However, even if a financial organization has contacted a client and provided a specific date by which the client can meet a margin call, the financial organization can still take necessary steps to protect its financial interests, including immediately selling the securities without notice to the client.

***Your financial organization or Pershing may change margin requirements or margin call time periods without notice to you.***

With regard to house, maintenance, and other margin calls, in lieu of immediate liquidations, Pershing, through your financial organization, may permit you a period of time to satisfy a call. This time period shall

not in any way waive or diminish Pershing's right in its sole discretion, to shorten the time period in which you may satisfy a call, including one already outstanding, or to demand that a call be satisfied immediately. Nor does such practice waive or diminish the right of Pershing or your financial organization to sell out positions to satisfy the call, which can be as high as the full indebtedness owed by you. Margin requirements may be established and changed by Pershing or your financial organization in its sole discretion and judgement.

***You are not entitled to choose which securities or other assets in your brokerage account(s) are liquidated or sold to meet a margin call.***

Because the securities are collateral for the margin loan, your financial organization or Pershing has the right to decide which securities to sell in order to protect its interests.

***Your financial organization or Pershing can increase its "house" maintenance margin requirements at any time and is not required to provide you with advance written notice.***

These changes in firm policy often take effect immediately and may result in the issuance of a maintenance margin call. Your failure to satisfy the call may cause your financial organization or Pershing to liquidate or sell securities in your brokerage account(s).

***You are not entitled to an extension of time on a margin call.***

While an extension of time to meet margin requirements may be available to investors under certain conditions, an investor does not have a right to the extension.

Your written Margin Agreement with Pershing or your financial organization provides for certain important obligations by you.

The Margin Agreement is a legally binding agreement, cannot be modified by conduct, and no failure on the part of Pershing or your financial organization at any time to enforce its rights under the Margin Agreement to the greatest extent permitted shall in any way be deemed to waive, modify, or relax any of the rights granted Pershing or your financial organization, including those rights vested in Pershing or your financial organization to deal with collateral on all loans advanced to you.

Also, the Margin Agreement constitutes the full and entire understanding between the parties with respect to the provision of the Margin Agreement, and there are no oral or other agreements in conflict with the Margin Agreement unless you have advised Pershing or your financial organization in writing of such conflict. Any future modification, amendment, or supplement of the Margin Agreement or any individual provision of the Margin Agreement can only be in writing signed by a representative of Pershing. You should carefully review your Margin Agreement for the rights and limitations governing your margin account relationship.

This statement does not amend or supersede the express terms of any transaction, collateral arrangement or otherwise affect your or our liabilities or obligations. Unless otherwise indicated in the instruction above, please transfer all assets in my account to Pershing without penalties, such assets may be transferred within the time frames required by NYSE Rule 412 or similar rule of the NASD or other designated examining authority. Unless otherwise indicated in the instructions above, I authorize you to liquidate any nontransferable proprietary money market fund assets that are part of my account and transfer the resulting credit balance to the successor custodian. I authorize you to deduct any outstanding fees due to you from the credit balance in my account. If my account does not contain a credit balance, or if the credit balance in the account is insufficient to satisfy any outstanding fees due to you, I authorize you to liquidate the assets in my account to the extent necessary to satisfy that obligation. If certificates or other instruments in my account are in your physical possession, I instruct you to transfer them in good deliverable form, including affixing any necessary tax waivers, to enable the successor custodian to transfer them in its name for the purpose of the sale, when, and as directed to me. I understand that upon receiving a copy of this transfer information, you will cancel all open orders for my account on your books.
